Summary:

Of the sixty-seven(67) senior executives of the major television and radio news networks, forty-seven(47) are Jews or have Jewish spouses. This is a numerical representation of 70%. Jews are approximately 2% of the U.S. population.* Therefore Jews are over-represented among the senior executives of the major television and radio news networks by a factor of 35 times(3,500 percent).

* Jewish Population of the United States by State:
